

SCHOOL STORE

This year the school store will be on the first Friday of the month. The school store is a fundraiser for the 5th grade class which helps fund graduation and the field trips they will take this year. The store will be open approximately once a month in the main hallway during recess. 1st - 5th graders can shop on their way to recess

The first school store will be open on Friday October 5.

Because mornings can be hectic, I'm sure we have all had days when we intended to give our children money to shop, but then either forgot or didn't have cash that morning. For that reason, we have decided to give parents the option of pre-paying for the year. You can set the maximum amount that your child is allowed to spend per visit. The store will be open 8 times this year. 75% of the items are a dollar or less. There are no items over \$3. Any money not spent during the school year will be returned after the last school store in May. You are not required to pre-pay. Your child can always bring cash the day of the store.

If you would like to pre-pay for your child please return this flier with payment by 10/4.

Payment can be cash or checks made out to cash.

Thank you so much for your support of our fifth graders!!
