Veteran's Day Celebration at McKinley School Thursday, November 8, 2018

Once again, this year we will be honoring our Veterans with a very special program. Veterans are invited to visit McKinley School from 9:15 am to attend an assembly in their honor. All active servicemen & servicewoman are invited to participate. We will be joined by several town officials.

Your children are busy preparing for our honored guests. At 9:30, there will be an all-school assembly informing the students about the purpose of Veteran's Day. It will begin and end with a color guard. Our special guests for the day will be honored for their service and we will host a reception immediately following the assembly.

If you are a veteran or know a veteran who would like to be part in this special event, please email the below information as soon as possible to the address below. Participants will be contacted by phone/email to be provided more details about the activities of the day.
